*We acknowledge the current Year 11 students for contributions to the Quaker Query of the Week.*

### Human Swine Flu Update

The Department of Health has changed the measures to deal with the Human Swine Flu pandemic.

From Monday 22 June, unless students are sick, there will be no exclusions from school for students returning from visits to Victoria and other affected areas.

Everyone who is ill from any type of influenza is asked to stay home for seven days after the onset of illness.

Thank you to all those who have helped us take appropriate measures for the continued good health of all our students and staff.

Principal

### Parent Information Evening Year 11/12 Pathways

There are two evenings in the following weeks for parents of students entering Year 11 next year. Current Year 11 students and their parents are also welcome to attend. The first evening on Tuesday 23 June in the Clemes Library at 7.30pm will introduce the Clemes experience and provide an overview of TCE, IB and VET pathways. You will hear what each has to offer and the different ways they can be combined to suit an individual. The second evening, on Tuesday 7 July, will provide time with teachers to explain the details of individual subjects in each course. They will also be available to answer your questions about such matters as work expectations, assessment and pre-requisites. Students are also welcome to attend.

## High School/Clemes Cross Country

### Tuesday 23 June - Bell Street

High School students will leave School at 1.00pm and make their own way to Bell Street sports grounds. Students are to make their own arrangements to travel home at the conclusion of the cross country. The Metro bus to the city will be redirected from Pendle Hill bus-stop to depart from Queens Walk at the Bell Street grounds. Students needing to link up with buses to the eastern shore or outlying areas can either catch our commuter buses back to school at 3.30pm to catch their normal bus or make their own arrangements. We ask that students advise the High School office if they wish to travel on the School commuter buses.

Students may wear sports uniform to School and will also need to come prepared for all weather types. All students should bring a drink bottle and some energy food.

Every entrant receives house points and we encourage all students to enter into the spirit of the carnival. Parents, as always, are most welcome to attend.

A small team will be selected for the All Schools carnival to be held the following week and a larger team will be selected for the SSATIS carnival to be held in August.
