PRICE LIST  
2020

## PURPOSE AND CONCERNS

*The Friends' School is a coeducational Quaker school based on fundamental values such as the intrinsic worth of each person, the recognition of 'that of God' in everyone, the desirability of simplicity and the need to establish peace and justice.*

*As a learning community, we are concerned for the academic, cultural, physical, social and spiritual development of each person in our care.*

*We seek to help our students develop into men and women who will think clearly, act with integrity, make decisions for themselves, be sensitive to the needs of others and the environment, be strong in service and hold a global perspective.*

*We believe that these aims can best be achieved with the active support of all members of our School community.*

All students from Kindergarten to Year 12 must wear The Friends' School uniform as prescribed for the relevant section of the School. The School Shop is the only authorised retailer of The Friends' School uniform and stocks the full range of uniform items with the exception of shoes.

Every student is different, and the size and fit of garments do vary throughout the range so it is important that new students attend the Shop for a fitting. During peak times, in late Term 4 and in January, appointments for fittings are available and these are to be booked online. Booking an appointment ensures there is a staff member assigned to assist you and reduces waiting times.

It is highly recommended that families with new students take advantage of the appointment system, it is also beneficial for existing families who have a student moving into Year 5 who will need to select their formal uniform.

Bookings for appointments are made via TryBooking, and will be available on the School website from early Term 4.

### A note about formal shirts and ties

The School has begun the process of phasing in a single shirt fabric across all styles of formal shirts and as stock requires replenishment, the white formal shirts will instead be made from the blue fabric. Students may continue to purchase (while available), and wear, the white shirts during this period of change which is expected to take two to three years. Updates will be provided to families during the phasing period. Ties will continue to be part of the formal uniform and students who have moved to blue shirts will be required to have a tie to wear on formal occasions when requested such as presentations, music performances and when representing the School at particular events. Students who are wearing white formal shirts during the phasing period may wear the tie if desired.
