## About Boarding at Friends'

The Friends' School is a coeducational day and boarding school, located in the heart of Hobart, Tasmania. The Friends' School offers accommodation for students at our on-campus residence, Walker House, for local and international students from Years 7 to 12. We offer five-day and seven-day boarding.

We have separate boys and girls areas, with communal areas for meals and study. Students also have access to the School's recreational facilities such as Friends Health & Fitness, which includes a heated swimming pool and fully equipped gymnasium.

At Walker House, our focus is on promoting a strong academic culture, celebrating difference and providing consistent pastoral care and structure via daily routines. We seek to provide a caring 'home away from home' with the feel of a large family. We strive for our students to learn how to live, work and play together, sharing experiences with people from many different countries and cultural backgrounds.
