

THE FRIENDS' SCHOOL

Uniform Handbook & Price List

2022

Purpose & Concerns

The Friends' School is a coeducational Quaker school based on fundamental values such as the intrinsic worth of each person, the recognition of 'that of God' in everyone, the desirability of simplicity and the need to establish peace and justice.

As a learning community, we are concerned for the academic, cultural, physical, social and spiritual development of each person in our care.

We seek to help our students develop into men and women who will think clearly, act with integrity, make decisions for themselves, be sensitive to the needs of others and the environment, be strong in service and hold a global perspective.

We believe that these aims can best be achieved with the active support of all members of our School community.

Introduction

All students from Kindergarten to Year 12 must wear The Friends' School uniform as prescribed for the relevant section of the School. The School Shop is the only authorised retailer of The Friends' School uniform and stocks the full range of uniform items with the exception of shoes.

Every student is different, and the size and fit of garments do vary throughout the range so it is important that new students attend the Shop for a fitting. Appointments are also required for existing families who have a student moving into Year 5 who will need to be fitted for their formal uniform.

Fitting appointments will be offered during peak times, in late Term 4 and in January and are booked and managed online. More information is provided on the following pages of this booklet.

The Shop accepts second hand garments and offers them for sale on a consignment basis subject to the terms and conditions detailed on the second hand lodgement form. Lodgement forms can be downloaded from the [School website](#).

Refunds and exchanges are offered in accordance with the terms set out in the [School Shop Refund and Exchange Guidelines](#) on the School website. No refund or exchange is available on second hand items.

We have now exhausted the stock of white shirts and these are no longer available to purchase. During this phasing out period, students may continue to wear their existing white school shirts up until the end of 2022. From the start of the 2023 school year, white shirts will no longer be accepted as uniform. Please note that we continue to maintain the same cuts and size ranges as previously available but all formal shirts are now made from the same blue fabric which is unique to The Friends' School. Ties continue to be part of the formal uniform and students who are wearing blue shirts will be required to have a tie to wear on formal occasions as requested.
