

The Friends' School

The Farrall Centre External Venue Hire

The Farrall Centre is a purpose-built performance and assembly facility, which opened in 2011. The Centre allows up to 678 people to sit and gather for a range of events and activities and is available for hire, subject to availability. It has state of the art audio visual facilities and services in a modern and contemporary space. Retractable seating allows for versatile seating plans while the foyer offers an inviting space to welcome guests. There is also a commercial kitchen. The Farrall Centre is named after the past co-principals of The Friends' School, Lyndsay and Stephanie Farrall. The Centre has a full-time onsite Manager who oversees all the logistics, audio visual and health and safety of the facility.
