A school environment is one where you will have access to highly confidential information, therefore it is critical for the school to explicitly state the following:

Definition

Confidential Information includes, with the exception of information in the public domain, any information:

- disclosed to you by or on behalf of The Friends' School;
- which comes into your possession, or is generated by you, in the course of your employment, whether or not the information was originally supplied by The Friends' School;
- relating to the dealings, financial arrangements, transactions, general affairs, details of suppliers, staff members, agreements entered into with The Friends' School and the financial position of The Friends' School and other matters that do or may affect the financial position or reputation of The Friends' School; and
- relating to internal management of The Friends' School, the structure of The Friends' School businesses, The Friends' School personnel, policies, strategies, plans, or aspects of its future activities.

Your obligations

You are expected to:

- use Confidential Information solely for the purpose of performing your duties;
- take all reasonable precautions as may be necessary to maintain the confidentiality of Confidential Information;
- not remove any Confidential Information from the school's premises without its prior consent;
- not (except in the normal course of carrying out your duties) copy or duplicate any Confidential Information without the consent of The Friends' School and
- immediately notify The Friends' School of any suspected or actual unauthorised use, copying or disclosure of Confidential Information.
