YEAR 10 - MATHEMATICS CALCULATORS

Midway through the year, students in Year 10 will require a graphics calculator. These specialist calculators will be used for the latter half of Year 10 and are retained and used throughout Year 11 and 12 studies.

Due to the high value, and to maximise the warranty period, the purchase is deferred until they are required. During Term 3 we will email families with details of the purchasing process and provide a link to an electronic order form for this purchase via the School Shop with the cost charged to your fees account (approx. \$240). The process will also be explained to students in class.

Please note that the standard scientific calculator will continue to be used in Science and Mathematics subjects. If you have concerns or questions, please do not hesitate to get in contact with the Year 10 Mathematics Teacher or the Head of Mathematics to discuss the matter further.

SCIENCE (ALL PATHWAYS)

An online resource will be used for this subject in place of a text book. Access details will be provided at School to each student and the subscription cost charged to your fees account. The approximate cost for 2024 is \$40.00.

Laboratory Coat - A laboratory coat is required for this subject. Lab Coats will be provided in the science laboratories, however, students can continue to use their own personal lab coats if they choose.
