<b>DESIGN &amp; PRODUCTION LEVEL 2 (INC OBJECT DESIGN) - DAP215116</b>						
Students may be studying either Wood or Textiles depending upon their course selection - the requirements are the same.						
Students must have closed-toed leather shoes for Design and Technology classes which will be kept in their locker. Formal shoes are adequate, if they do not own formal shoes they will need to purchase some. We suggest the basic Jackaroo slip on work boot which can be purchased from Kmart for \$39.						
Safety glasses are required at all times while in the workshop. Students who wear prescription glasses must purchase overspecs (safety glasses designed to fit comfortably over personal glasses) or acquire prescription safety glasses. All required safety gear can be purchased from various retailers and should be stored securely in your locker along with your safety footwear.
